Fee Schedule

Gestational carrier fees

Base compensation fee for your chosen carrier. This fee can vary for different reasons. If the surrogate is experienced her base fee is increased an additional \$5,000 - \$10,000. It also increases if the surrogate becomes pregnant with multiples. \$35,000

Life insurance for \$500,000 on the surrogate, payable to her beneficiary of her choice, and \$100,000 payable to you. This policy will also include loss of organs insurance. \$1,300

Monthly allowance from contract signing to birth \$200

Medication start fee (this fee is for each cycle if it requires more than one transfer) \$250

Transfer fee (for each transfer) \$750

Fee for heartbeat confirmation \$500

Maternity clothing fee paid at 12 weeks gestation. This fee increases an additional \$250 if surrogate is pregnant with multiples. \$750

Possible additional carrier fees

Mock cycle fee if recommended by your clinic \$250

Dropped cycle fee if the cycle is canceled due to no fault of the carrier \$500

Invasive procedure to include: D&C, ectopic pregnancy, cerclage placement, fetal reduction per fetal sac, abortion/termination, amniocentesis (per needle), Chorionic Villous Sampling, Hysteroscopy Under Anesthesia. \$500

Hysterectomy \$10,000

Loss of organ \$5,000

C-Section (only if medically advised) \$3,000

Doula allowance (if all parties agree) \$1,500

Bedrest - weekly (includes housekeeping & childcare but not lost wages, if any) \$300

Mileage at current federal rate starting at mile 51 for any appointments the surrogate travels to for this journey.
