Intended Parent Fee Schedule

Fee Schedule

Agency fees

- \$2,000 *Paid after our free initial consult. This first installment shall be paid upon signing the agency agreement in order to be placed on our list.*
- \$17,000 *Once you and your chosen surrogate agree that you are officially matched and wish to proceed on this journey together, this fee is due within one week.*
- \$17,000 *This last installment is due once your surrogate has received medical clearance from your clinic.*

Included with the agency fees: Background checks for all parties, up to one (1) insurance review, up to one (1) insurance policy search / placement, SeedTrust Escrow management fees, all psychological evaluations (to include gestational carrier [GC] and partner, GC PAI, intended parent [IP] evaluation, and group evaluation)

Estimated third party fees

- \$4,000 *Attorney for the gestational carrier agreement*
- \$2,000 *Carrier's attorney*
- \$4,000 *Legal fees to establish legal parentage*

Please note: These third party fees are estimates for your planning purposes only and will vary.

Fee Schedule

Gestational carrier fees

Base compensation fee for your chosen carrier. This fee can vary for different reasons. If the surrogate is experienced her base fee is increased an additional \$5,000 - \$10,000. It also increases if the surrogate becomes pregnant with multiples. \$45,000

Life insurance for \$500,000 on the surrogate, payable to her beneficiary of her choice, and \$100,000 payable to you. This policy will also include loss of organs insurance. \$1,300

Monthly allowance from contract signing to birth \$250

Medication start fee \$250
(This fee is for each start of medications for a cycle to include transfer, ERA and mock cycles)

Transfer fee (for each transfer) \$750

Fee for heartbeat confirmation, per heartbeat \$500

Maternity clothing fee paid at 12 weeks gestation. This fee increases an additional \$250 if surrogate is pregnant with multiples. \$750

Possible additional carrier fees

Mock cycle fee if recommended by your clinic \$250

Dropped cycle fee if the cycle is canceled due to no fault of the carrier \$500

Invasive procedure to include: D&C, ectopic pregnancy, cerclage placement, fetal reduction per fetal sac, abortion/termination, amniocentesis (per needle), Chorionic Villous Sampling, Hysteroscopy Under Anesthesia. \$500

Hysterectomy \$10,000

Loss of organ \$5,000

ERA \$250

C-Section (only if medically advised) \$3,000

Doula allowance (if all parties agree) \$1,500

Bedrest - weekly (includes housekeeping & childcare but not lost wages, if any) \$300

Mileage at current federal rate starting at mile 51 for any appointments the surrogate travels to for this journey.

Fee Schedule

Possible additional carrier fees continued

\$150	Activity restriction - weekly
\$150	Housekeeping - monthly if not on bedrest
Actual net	Lost wages for carrier and / or partner
\$75 / \$125	Daily meal allowance for travel days over four hours
\$300	Breastmilk - weekly plus shipping costs & supplies
\$100 / day	Childcare for transfer, medical screening, and monitoring appointments. \$300 a week maximum.

Please note

The fees listed are estimates for planning purposes only. Fees can increase or decrease based upon various factors outside of Carrying Hope's control.
