Agency fees

$2,000   Paid after our free initial consult. This first installment shall be paid upon signing the agency agreement in order to be placed on our list.

$19,000   Once you and your chosen surrogate agree that you are officially matched and wish to proceed on this journey together, this fee is due within one week.

$19,000   This last installment is due once your surrogate has recieved medical clearance from your clinic.

Included with agency fees: Background checks for all parties, psychological evaluations (to include gestational carrier [GC] and partner, GC PAI, intended parent [IP] evaluation and group evaluation), GC medical records collections, 3rd party IVF nurse review and summary of GC's records, SeedTrust Escrow Management Fee. Also included is a virtual class tailored to a surrogacy journey with a labor and delivery nurse to prepare you for what to expect during labor and delivery as well as newborn care as new parents. Intended parents can also receive one on one birth planning support with your GC through this resource.
